Mediscript Communications, Inc., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An up to date overview of the art and science of wound healing. There is a complete listing of all the new and existing dressings, highlighting each dressing's role. There are alternative wound treatment options explained such as hyperbaric oxygen, growth factors, negative pressure wound therapy etc. This is an excellent reference book for caregivers, nurses, health workers and patients. - The Dr. Guide books brand now encompasses over 50 titles in fields such as allergy, asthma, COPD, diabetes, lifestyle, natural product usage, orthopedics and wound care. The success of the Dr. Guide books is attributed to their: - reader-friendly style - comprehensive information - snappy content and themes of prevention - focus on empowering the patient through self-care - interactive self-assessments and quizzes - well-explained treatment options. -- About the publisher: Mediscript Communications was founded in 1996 by a management team of marketing executives, writers, nurse educators, psychologists and distribution companies to provide a unique and effective style of publications, empowering readers and patients, through interaction, personalization and subsequent relevance.
