Reviews

Simply no phrases to describe. It is actually rally interesting throgh reading time period. Your lifestyle period will probably be transform the instant you complete reading this article book.

(Rowland Bauch)

FROM FIRESIDE TO FACTORY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from From Fireside to Factory Few young men and women of the present generation are familiar with that old-time household implement, a spinning-wheel. Fewer still have ever seen a spinning-wheel in action. For spinning-wheels, for the purpose of manufacture, are as obsolete as stage-coaches for the purpose of travel. Yet there was a time - and not so very long ago - when a spinning-wheel was an essential necessity in every American homestead. There are old men and women living to-day who still remember, from their dim and distant childhood, how their mothers used to sit by the fire and spin, and much romance of the good, old days is associated with the spinning-wheel. It has received much attention in poetry also. Goethe, in his Faust, has drawn an immortal picture of Gretchen at her spinning-wheel. Longfellow, in his charming epic poem, The Courtship of Miles Standish, describes the sweet Puritan maiden, Priscilla, as Seated beside her wheel and the carded wool like a snowdrift piled at her knee, Her white hands feeding the ravenous spindle, while with her foot on the treadle she guided the wheel in its motion. The Bible, too, has extolled the virtuous woman of the spinning wheel in those beautiful lines: She seeketh the wool and the flax and worketh willingly with her hands. She layeth her hands to the distaff and her hands hold the spindle. She is not afraid of the snow for her household, for all her household are clothed with scarlet. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical...
