

## Interpreting the Qur an: A Guide for the Uninitiated (Hardback)

Filesize: 3.92 MB

### **Reviews**

*These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.*

Bloomsbury Publishing PLC, United Kingdom, 2009. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Post 9/11, sales of translations of the Qur an have greatly increased. Students and general readers alike are increasingly interested in the sacred writings of Islam. But the Qur an can often make difficult reading. It lacks continuous narrative, and different types of material dealing with different topics are often found in the same chapter. Also, readers often attempt to read the book from start to finish and without any knowledge of the life and experiences of both Muhammad and the community of Islam. Introductions to the Qur an attempt to make interpretation of these complex scriptures easier by discussing context, history and different interpretations, and presenting selective textual examples. Bennett s new introduction takes a fresh approach to studying the Qur an. By reordering parts of the Qur an, placing its chapters and verses into a continuous narrative, the author creates a framework that untangles and elucidates its seemingly unconnected content. Through this new approach the reader will come to understand various aspects of the Qur an s interpretation, from Muhammad s life, to Muslim conduct and prayer, to legal considerations.
