Scouts in Bondage : And Other Curious Works from Bygone Times with Titles That Might Cause Vulgar Minds to Misapprehend Their Content

By Bell, Michael

Aurum Press, London, 2006. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. 94 pages. Multiple copies of this title available. All the books illustrated in this irresistible little volume were collected by Michael Bell when he owned an antiquarian bookshop in Lewes. His criterion was simple: these were old books that raised a grin if not a guffaw from his customers as soon as they saw them. Some are simply mystifying like the enigmatic "Book of Blank Maps"; bizarre like Frances E. Willard's perfectly straight-faced account, "How I Learned to Ride the Bicycle"; or simply evoke a world which has long since vanished like Paulo Montegazza's manual on "The Art of Taking a Wife". Sometimes it is the combination of title and cover artwork that does the trick, but most frequent of all is the title that now conveys a meaning quite at odds with the author's original intentions, the boy's story "Invisible Dick", for example, or another children's novel, "How Nell Scored". Quantity Available: 13. Category: Books on Books; Humour. ISBN: 1845131967. ISBN/EAN: 9781845131968. Inventory No: 09010022. This item is in stock in our Australian warehouse. We are not dropshippers.

Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

-- **Scottie Schroeder DDS**

Absolutely one of the better ebook We have ever study. it had been writtern quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
