The Vampyre A Tale By John William Polidori Gothic Masterpiece The Vampyre is a short story or novella written in 1819 by John William Polidori which is a progenitor of the romantic vampire genre of fantasy fiction. The work is described by Christopher Frayling as the first story successfully to fuse the disparate elements of vampirism into a coherent literary genre. Vampires are mythological or folkloric revenants, who subsist by feeding on the blood of the living. In folkloric tales, the undead vampires often visited loved ones and caused mischief or deaths in the neighbourhoods they inhabited when they were alive. They wore shrouds and were often described as bloated and of ruddy or dark countenance, markedly different from today's gaunt, pale vampire which dates from the early 1800s. Although vampiric entities have been recorded in most cultures, the term vampire was not popularised until the early 18th century, after an influx of vampire superstition into Western Europe from areas where vampire legends were frequent, such as the Balkans and Eastern Europe, although local variants were also known by different...
