THE LIFE OF GUSTAVUS ADOLPHUS: SURNAMED THE GREAT, KING OF SWEDEN (CLASSIC REPRINT) (PAPERBACK)

[DOWNLOAD](#)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Life of Gustavus Adolphus: Surnamed the Great, King of Sweden The wider and more lasting extension of good. Amidst such recorded events, the celebrated War of Thirty Years in Germany is invested with the highest degree of interest-not only from the obstinacy of the struggle, but as exhibiting in its simplest and most intelligible form the conflict of principles which have since been happily so far modified in most civilised countries by a more general recognition of the principles of equity, as often to be with difficulty discoverable in their still continued opposition. Considering the reputation obtained by the most prominent Character in this momentous contest at the time of his decease, it is somewhat singular that more than a century was suffered to pass away after that event before any biographer appeared willing to undertake the task of recording the principal occurrences of his life in any of the more popular languages of Europe. The splendid abilities of Frederick of Prussia, displayed during the sanguinary and protracted contest which arose from the question of the Pragmatic Sanction, and in the early part of the Seven Years War, seem first to have recalled the general attention to the exploits of Gustavus Adolphus; while the circumstance of the same countries becoming the theatre of hostilities, which had formerly been traversed by the armies of the Empire, Saxony and Sweden in the Thirty Years War, naturally tended to endue with fresh interest a series of long-past events. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books...
