Anima-Animus Publishing. Paperback. Condition: New. 468 pages. Dimensions: 8.5in. x 5.4in. x 1.3in. Loving Men, Respecting Women (The book in a nutshell) The overarching principle that pervades and unifies every element of this book can be expressed in a single word: Balance. The books radical premise is this: in the benefits enjoyed and in the liabilities suffered, in the power and in the victimization, in the freedoms and in the constraints, it all balances out between Man and Woman and it always has. By helping to promote a general understanding and perception of this balance throughout the culture at large, this books ambition is to affect a fundamental gender paradigm shift. As it stands now, common wisdom perceives imbalance an imbalance of power enjoyed by men and an imbalance of victimization suffered by women. Society has long recognized a world of male power female victimization, yet that has never been more than half of the full story. The missing half can be found. Its contained within a shelf full of excellent but as yet rather obscure books. What might be thought of as the female power male victimization half of the story remains obscure because neither sex wants to hear it. Nevertheless, for every female complaint, there is an equal and opposite male complaint. For every one CEO there have been many POWs. Hard hazardous labor, battlefields, prisons, mines, the streets, the sewersmen have always occupied both extremes, the most and the least enviable positions on earth the latter in far greater numbers than the former. Imagine, if you will, a gigantic scale where there is love on one end of the balance beam and respect on the other: This love respect dynamic upon which gender balance pivots can be described in two brief statements: Throughout history, both sexes have respected men more than theyve respected women. Throughout...
