Reviews

It is just one of my personal favorite publication. It is among the most awesome publication i have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Elsevier - Health Sciences Division, United States, 2016. Online resource. Condition: New. 3rd Revised edition. Language: English . Brand New Book. Dynamic online learning makes it easier to understand radiographic imaging! Reflecting the latest ASRT core curriculum requirements, Mosby's Radiography Online: Radiographic Imaging, 3rd Edition helps you learn and apply radiography concepts with an exciting range of interactive exercises, narrated animations and video clips, slide shows, simulations, and more. Online tutoring for quizzes includes immediate feedback for incorrect answers, and puts your review on the fast track. Ideal for visual and hands-on learning, Mosby's Radiography Online: Radiographic Imaging offers more learning opportunities than you'll have by using your textbook alone. Narrated animations and short video clips bring radiographic imaging principles to life. Interactive quizzes include labeling, matching, sequencing, image association, fill-in, and more. Simulation activities cover the atom, circuits, generators, and digital radiography. Over 500 full-color illustrations enhance the material, with drawings or graphics on nearly every screen. Quizzes and exams at the end of each module evaluate your mastery of content and help to identify your strengths and weaknesses. End-of-module reviews summarize the most important material. Tutoring feature in quiz format includes feedback for incorrect answers plus a reference to the related module content. A linked glossary makes it easy to look up definitions for more than 200 terms. Hypertext links connect you to related resources for further study. UPDATED content reflects current ASRT core curriculum guidelines, preparing you with the knowledge needed for classroom and clinical success. NEW illustrations show the latest equipment and newest digital images.
