

## The Butterfly Legacy

By Dr Kathleen Marie Rice

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.July 1952 is teenaged Raleigh Buchanan s last vacation on Country Pond, New Hampshire, where for the previous two summers he and an Irish boy had traded notes. Feeling the familiar rush of intrigue, Raleigh removes the kid s latest note from behind the ceramic half-moon tacked above the cottage door. The note contains a riddle half-written in Gaelic. Mystified and irritated, he puts the note away with other childish things - soon to be forgotten. Twenty-six years will pass before Raleigh, now a Boston police detective, realizes that the note holds clues he needs to solve a murder; and that it contains the key to his true heritage, which began with star-crossed lovers a century before he was born. Against the backdrop of Ireland s Great Hunger, the violent struggle of the 1860s to free Ireland, and The Troubles of the 1970s, The Butterfly Legacy, a 95,000-word historical novel, is a richly rendered story of Nelly, a young Irish girl and her descendants that began when she and an English captain fall in love. Resulting in twins...
