This book titled In the Life of a Thorn bird is a very emotional and personal look into the life, mind, and heart of the author as he deals with the many adversities, heartbreak, and weight of the choices that must be made in not only his life but those around him. And how those choices will affect his inner circle of his family the wife, the sons and the daughter short term and long term! Not to mention his family and friends as a whole on a broader spectrum including his enlavs on both sides of the Pacific Ocean. The metaphor used as the title speaks volumes about the book and everyday life, just as we have good and bad we must allow and accept death to come in order for life to thrive! In the case of the author, it has taken several traumatic events, but none as traumatic as the current one in which the author grapples with to this day! This traumatic event is the catalyst that has brought to surface the creativity from the authors inner soul to create this beautiful book of poetry. The Thorn bird only sings its most beautiful song which is in fact its unknown gift when it plunges itself on that perfect thorn! At that very instance is that little birds purpose made known, other than that the Thorn bird does as any other bird would do on any given day. Build a nest lay eggs and wake early to catch that worm! Only the truly blessed are in ear shot to hear the beautifully sweet song, once the life has gone so too dose the opportunity to hear that precious song. It is never to be...
