Createspace, United States, 2011. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Autism is a challenging puzzle . but Autism Dad has a clue! Follow the adventures of Autism Dad in this collection of essays by award-winning syndicated columnist Rob Errera. Funny, informative, poignant, and engaging, Autism Dad explores the initial devastation of an autism diagnosis, the autism/vaccine controversy, autism in the media, education, therapy and treatments. Above all, Autism Dad is about living with, raising, and loving a child with autism, told from a father s perspective. I found many autism books written by autism moms and medical professionals, but not a lot written by autism dads, said Errera. I decided to write one myself.but as I sifted through the autism columns I ve written since my son s diagnosis in 2003, I realized the first draft was already done! These columns are revised and updated in Autism Dad, along with three new essays and extensive behind-the-scenes notes that reveal the personal struggles and triumphs of raising a special-needs child. Autism Dad: Adventures in Raising An Autistic Son, Essays by Rob Errera is available in print and digital formats wherever ebooks are sold online.
