COTTON S SKETCH-BOOK: AUTO-BIOGRAPHICAL SKETCHES OF THE LIFE, LABORS, AND EXTENSIVE HOME TRAVELS OF REV. A J. COTTON, IN SHORT, CONVENIENT CHAPTERS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Cotton s Sketch-Book: Auto-Biographical Sketches of the Life, Labors, and Extensive Home Travels of Rev. A J. Cotton, in Short, Convenient Chapters Preface, indeed! Do you say - who cares for the preface? Introduce us at once to your little book. N ot quite so fast, my dear young readers. If you were about to erect a permanent edifice, would you not in the first place prepare a good substantial foundation for it? Well, then, what a foundation is to a building is the Pref ace to a book, don t you see it? No one of you would say to your Minister, don t delay and bother us with your text, let us have the sermon at once and be done with it; you would not say that, would you? True, the minister might say just as many pretty things without naming his text as with it. But it would profit you little; there would be neither point nor connection in it; it would be simply unmeaning, like one beating the air. But when he gives out his text you have his theme, and with it a point of attraction, and know just how and where to apply everything as you pass along, don t you? The Preface is my text for my little sketch-book. Here, then, we ll take an even start together, now that you have my start ing point and the theme of my pen. Paul s Gospel theme to the Gentiles was simply Christ and him crucified. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
