## FED POWER: HOW FINANCE WINS

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The Federal Reserve is the most powerful central bank in the world. Without its central bank, America would be subject to devastating fluctuations in currency value and chronic economic instability. To stabilize the economy, the Fed adjusts interest rates and intervenes in the economy more directly when appropriate. According to most Fed observers, it as an impartial referee exercising its independence free from political interference in...
