

Killer Nurse Beverly Allitt (Paperback)

Filesize: 4.1 MB

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).
(Doris Beier)

KILLER NURSE BEVERLY ALLITT (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is hard to believe that a young female could be capable of murder, let alone multiple murders. It is even more shocking that a female nurse could carry out such terrible crimes. That is exactly what Beverly Allitt did though. This nurse is Britain s most infamous female serial killer and also goes by the name of the Angel of Death due to her responsibility to care for others but instead used her nursing position to kill people. Over a short period of fifty-nine days in her job as a nurse in a children s ward, she killed four young children and attempted to kill at least nine others either by causing cardiac arrest or hypoglycemia.
