The same crop is not grown again after it has been harvested. Man took millenniums to understand the fact that the soil also has a need for essential nutrition, which is going to be reduced slowly and steadily, if one particular crop is going to be grown again and again on that same patch of land. This book is going to tell you how you can gain a lot of benefit through judicial crop rotation. Since ancient times, human beings have known all about the importance of rotating their...
