

Impact 2.0: New Mechanisms for Linking Research and Policy

By Bruce Girard

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.This book features case studies and reports on the use of web 2.0 and social networking applications and services to increase the impact of research on policy in Latin America. During 2010 and 2011 Fundacion Comunica, with funding from the International Development Research Centre (IDRC, Canada) and assistance from the Association for Progressive Communications (APC), supported a series of small research projects examining the use of online social networking services to link research and policy in the region. Twelve projects were supported, most of them selected from ninety-seven proposals received following the distribution of a call for proposals in May 2010. Two types of projects were supported: (i) action research projects involved both implementing and evaluating a specific use of one or more online social networking services to link research and policy or researchers and policymakers, and (ii) more conventional ones evaluated existing initiatives implemented by third parties. While the experiments and evaluations undertaken under the Impact 2.0 umbrella displayed a tremendous diversity in terms of the online tools they used, their methodological approaches, their communication strategies etc.,...
