Christian Focus Publications Ltd, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Whatever the question - the answer is in Proverbs! No book of the Bible gives the Christian more practical advice than Proverbs. It covers personal problems like sex, ambition, anxiety, fear, money; family matters such as marriage, parenting, discipline and education; social questions like neighbourliness, friendship, disputes and litigation; and even politics, both from the ruler's and citizen's viewpoint! The revolutionary method employed in this commentary combines two different approaches. Firstly, the verse-by-verse approach and secondly, the thematic style. Most modern commentaries on Proverbs don't cover every verse, as this one does. Most other commentaries also don't show the thematic nature of the book of Proverbs. Eric Lane shows his long investigation into the text by giving a comprehensive thematic index of topics covered. This means that whilst every verse is covered, each chapter is arranged topically, making it more reader-friendly. Eric Lane succeeds brilliantly in bringing us a study of Proverbs that can be used as a devotional aid or bible study companion. He reveals Proverbs as something more than a disconnected collection of inspired sayings!
