This book is a foundation to staying positive and being in charge of things around you, to understand faith and to walk in the spirit, not in flesh. As a Christian who wants to experience breakthrough without renewing his mind will have to wait for ages. Without a renewed mind, you cannot have faith to receive the blessings even after praying. Praying for something is the first step, and the ability to catch the result is the next step. Many people pray and do not receive because they cannot catch the blessings. The Bible said without faith it is impossible to please God (Heb. 11:6). Faith itself is a spiritual currency which can be used in any place and everywhere. Faith has a higher purchasing capacity when compared to naira, dollar, euro and pounds. Destinies are changed and problems are written off by faith, by the renewing of the mind.
