Introduction: venture capital from a microscopic point of view. it is a highly developed market economy very effective investment tool. According to foreign statistics. from a longer period of time. it seems. the overall rate of return for venture capital is higher than the general rate of return on investment. it is a fact. Therefore. the risk of investment is a more advanced investment tools. it is the use of a combination of investment philosophy. and innovative technology combined experience of venture capitalists and innovators. and thus obtain a higher income. and this...
