

Bridging the Gap to University Mathematics

By Edward Hurst, Martin Gould

Springer London Ltd. Paperback. Book Condition: new. BRAND NEW, Bridging the Gap to University Mathematics, Edward Hurst, Martin Gould, Helps to ease the transition between school/college and university mathematics by (re)introducing readers to a range of topics that they will meet in the first year of a degree course in the mathematical sciences, refreshing their knowledge of basic techniques and focussing on areas that are often perceived as the most challenging. Each chapter starts with a "Test Yourself" section so that readers can monitor their progress and readily identify areas where their understanding is incomplete. A range of exercises, complete with full solutions, makes the book ideal for self-study.
