Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Fordham University Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Composed of several distinct yet inter-woven long poems, On Generation Corruption is structured around the conceits of location and dislocation, as it deconstructs a picture-postcard American town. Its title is a clue: in printer s terms, each generation reproduced is more corrupt than the last. Through this metaphor, Chiusano alludes to the distance from confessional speech that the book embodies in its complex tales and Escher-like syntax. from daybook JULY 1 Bog. Spillway. River bank. Cow shit. Shade pools. Boot prints. Tadpoles. Reed beds. Shallows. Eddies. Snags. Cottonmouths. Cobwebs. JULY 2 The stare stares behind-the-back, bright, between butt-crack and thigh. The stare widens into a paddle, wide and flat enough to make a draft when it flaps. The stare picks its nose. The stare halfway wonders why the closet door is only half-closed. * * * When ecstasy is parted from its practice, when rapture is forced to choose, that s me: the first efforts, independent principalities. JULY 3 If I draw a hand, say, or a foot, I tow it into view. If I name, a slender ankle, a napping neck, I pull it like a dove out of a derby, pigeon out of a porkpie hat.
