Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Biblical manhood and womanhood are code words meaning that men are to rule the church, their house, their wife, and their family. We are not First Century people and we cannot be held to those restrictions of male hierarchy. So here we are today with seminars, blogs, books, movies, sermons, discussions, Bible studies, etc., extolling God's so-called grand design of manhood and womanhood. Outside the church, Monday through Saturday, women are equal. How long do you think it will be before women decide that they are also equal on Sunday and in their own homes? My name is Shirley Taylor and I call myself the street evangelist for women's equality. I am a Christian blogger for women's equality. From the blog to the book, Raising the Hood is a compilation of my blogs, and picks up after Women Equal - No Buts: Powered by the same Source.
