That these alternatives are not only less expensive but also healthier for you and your family? And what if you could make these products right now with the items you probably already have in your kitchen pantry? Would you be interested? If you thought that Bath Bombs, Body Butter, Body Scrub are self-indulgences beyond your budget, then this book was written for you. Learn the secrets of creating effective organic bath products, safe from harsh synthetic ingredients - the secrets commercial manufacturers don't want you to know. Discover how to keep your entire family safe from these ingredients and in fact boost their health with the amazingly active ingredients in these customized products like essential oils, for starters. This book reveals the general formula for making bath bombs, body butter as body scrub that allows you to substitute customized recipes that are tailored to your special needs. Not only that, but once you begin making these products for yourself, that soon you'll be making them for family and friends as birthday and Christmas or anytime gifts and share the love, indulgence and the healthy benefits. If you've been longing to be able to splurge on organic bath products, products like bath bombs, body butter, and body scrub but feel that the habit is beyond your budget, then you should consider making your own organic bath products. This easy-to-read, concise guide is exactly what you need to create amazingly awesome products that not only will heal your...
