Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Endless stretches of grassland against a boundless sky are all Sam Ferrier sees when he and his father arrive in Curlew, Alberta, to build a new house for their family. But after the house gets built and the family joins them, Sam gradually discovers that there is much more to the flat, featureless prairie than he realized. The new land sparks his wild curiosity. But when his little brother disappears, Sam discovers how terrifying the terrain can be. The Ferriers survive their new life on the prairie with its brutal winters and devastating isolation. Sam even makes new friends with a brave and resourceful horse named Prince.
