## WE DON T NEED ANOTHER HERO: STRUGGLE, HOPE AND POSSIBILITY IN THE AGE OF HIGH-STAKES SCHOOLING (PAPERBACK)

Teachers College Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. In his latest book, bestselling author Gregory Michie critiques high-stakes schooling and provides a powerful alternative vision of teaching as a humanistic enterprise, students as multidimensional beings, and schools as spaces where young people can imagine and become, not just achieve. Drawing on his experiences over the past two decades as a classroom teacher, community volunteer, researcher, and teacher educator in Chicago s public schools, Michie offers compelling accounts of teaching and learning in urban America. Mindful of the complex realities educators face, he portrays urban schools as they really are: sites of struggle, hope, and possibility. At a time when others relentlessly trumpet a competitive, data-driven, corporatized notion of education, the essays in *We Don t Need Another Hero* challenge the dominant images of failing urban schools and bad teachers. Like Michie s now classic *Holler If You Hear Me*, this book gives much-needed hope to new and seasoned teachers alike. It is also an important resource for school administrators, policymakers, parents, and anyone who wants to better understand what is really happening in American schools.
