Language: English Brand New Book ***** Print on Demand *****.Excerpt from An Apostle of the Western Church: Memoir of the Right Reverend Jackson Kemper First Missionary Bishop of the American Church, With Notices of Some of His Contemporaries; A Contribution to the Religious History of the Western States In a note to his sketch of Jackson Kemper, in his Bishops of the American Church, Bishop Perry wrote: His life is yet to be written. It will be the history of the founding of the Church in the middle West. No apology is necessary for a biography of Bishop Kemper; in fact, it is a reflection upon the church that she has not had one before. There is a certain vulgarity about a family, an institution or a nation that is ignorant of and indifferent to its past. Every churchman old or young, but especially the young, and especially in the dioceses that have sprung out of Kemper's old jurisdiction, should be familiar with the facts in his career. It was while composing his life of Bishop Cobbs that the writer's attention was attracted to the western field, and now that his work is done he may perhaps be pardoned some expression of retrospective satisfaction as he looks out over the clearings he has made in the mental forest, and draws a deep breath of relief at the completion of the labor, inconceivable by those who have never tried it, of reducing to a cosmos a chaos of material gathered from books, pamphlets, reports, newspaper clippings, and a mass of manuscript, journals, letters, notes of conversations, etc. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
