## DUSK OF THE TWIN SUNS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In Dusk of the Twin Suns, readers are thrust into the middle of the twenty-second century. It s a time when the now highly advanced Earth has established colonies throughout the nearest star system - Alpha Centauri. But just like back home, they don t all get along. The United States is in the midst of a bitter cold war with China, which has become more powerful and militaristic than ever. For ordinary citizens, it s a challenging environment. Franz Beckhart is a burned-out Swiss robot operator who s spent his life drifting among the colonies, completing petty jobs. After hitting the bottle too hard one night, Franz finds himself responsible for a tragedy. Desperate to avoid punishment for his crime, Franz flees to the seemingly barren planet Neureus. There, Franz finds himself joining other rogues on a mission to examine a mysterious structure. But Franz soon finds that this exploration has put him in even graver danger. As a British Army veteran, Intelligence Corps linguist, and IT professional, author Kevin Brennan leverages his military and technical expertise to devise authentic battles and technologies in this sci-fi future. Readers can fully immerse themselves in a vividly imagined glimpse of what the next century may bring.
