Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An attempt is made in the following pages to discuss some of the Problems of Life and Mind that exercise the brains and wring the hearts of thoughtful people. These problems will be studied with the aid of the light thrown upon them by Theosophy, that Divine Wisdom which enlightens us just so far as we are able to receive it. There is no idea in my mind so ambitious as that of solving these problems: I only seek to offer to my fellow students some thoughts that have been helpful to myself and may also be serviceable to others.
