Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*\*. This book is an autobiographical description of a man's spiritual journey from brokenness to healing. He describes how as a child he learned mistrust, the feelings of abandonment and deep pain and suffering, rape, separation from his family to living in a world where he felt nearly invisible to others. But once he met his life partner, he began to find his spiritual self and with his partner's support began to put the pieces of his life together. These two men struggled over 37 years to build a strong, faith-based relationship and with therapy the author finally addressed the issues of his childhood and became, and is becoming still, the man his Creator made him to be: a wounded healer, working and dedicating his life to helping others in alleviating their own pain and suffering.
