Not sure how the Bible fits together Abraham and Moses The Exodus and the Exile Confused over kings and prophets Old Testament, New Testament Well start at zero, and assume nothing. Were running through the Bible in only 42 pages, and we wont be travelling alone. Theres a red cord running with us, starting in Genesis where we begin our journey, through to Revelation at the end. The red cord binds the Bible together. Its Gods rescue plan for the people he created, giving us a way out of the mess weve made of our lives through the freewill he has given us. A friend who had just finished reading the whole Old Testament for the first time, told me, It was written with Gods tears. Indeed it was. And my friend could have added, The New Testament was written with blood the blood of Jesus. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
