Reviews

These sorts of book is the greatest book offered. This can be for all those who statte that there had not been a really worth reading. I am just quickly could get a pleasure of reading a written ebook.
(Verner Goyette DDS)

SCRAPPED: A CUMBERLAND CREEK MYSTERY

Kensington Publishing. Paperback. Book Condition: new. BRAND NEW, Scrapped: A Cumberland Creek Mystery, Mollie Cox Bryan, The ladies of the Cumberland Creek Scrapbook Crop are welcoming an eccentric newbie into their fold. A self-proclaimed witch, Cookie Crandall can whip up a sumptuous vegan meal and rhapsodize about runes and moon phases with equal aplomb. She becomes fast friends with her fellow scrapbookers, including freelance reporter Annie, with whom she shares shallow roots in a community of established family trees. So when Cookie becomes the prime suspect in a series of bizarre murders, the croppers get scrappy and set out to clear her name. Annie starts digging and discovers that the victims each had strange runic patterns carved on their bodies - a piece of evidence that points the police in Cookie's direction. Even her friends begin to doubt her innocence when they find an ornate, spiritual scrapbook that an alleged beginner like Cookie could never have crafted. As Annie and the croppers search for answers, they'll uncover a shockingly wicked side of their once quiet town - and a killer on the prowl for another victim.
