

The Bitter Spirit: The Deadly Effects of Bitterness (Paperback)

By Dr Paul Young

Gospel Folio Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Bitterness is a deeply destructive emotion. It can develop in our spirits like infection in a physical wound. It can make us ineffective and useless for God's service and could undermine the work of our church and its standing in our community. A bitter reaction will always undermine the integrity of the Gospel because the Gospel is a message that conquers bitterness. The Lord Jesus took all our bitterness on the cross where the ultimate price for sin was paid by Him. So in Christ we can find release from the oppressive bondage that bitterness produces. May God grant us the grace to always leave bitterness at the feet of the Saviour so that we can live life unburdened by the weight of a bitter spirit which ultimately will cause the most damage to ourselves.
