Coloring is Art takes you on a fresh new adventure in the craze for coloring books for adults. Full of unique hand-drawn designs for you to color-in and many search and find puzzles too if your brain fancies a workout. Mike Harman has enthralled fans for years with his unique style of doodle art posters and games. Now his eagerly awaited first coloring book for grown-ups is here! Packed full of his distinctive designs for you to enjoy. How to get the best from your Adult Coloring Book: Use good quality pens and pencils, make sure you test them at the back as different papers can make some colors come out darker. Always color under a good light, we know addictive coloring pages are, but stop when your eyes are tired. Consider your color theme before you start, some colorists create small mood boards to help them with creative ideas. Why not frame and display your favourite coloring pages, you can also upload them and share them on our facebook page. Coloring for mindfulness and wellbeing. Coloring for adults...
