Baen Books, United States, 2003. Book. Condition: New. Reprint. Language: English. Brand New Book. An alien pyramid has appeared in the middle of Chicago. It is growing, destroying the city as it does-and nothing seems able to stop it, not even the might of the US military. Somehow, the pyramid is snatching people and - for unknown reasons - transporting them into worlds of mythology. One of the victims, Dr Lukacs, is an expert on mythology, but myths are not something he d expected to encounter personally. Sure, he has a couple of tough paratroopers along with him, as well as a blond Amazon biologist. But their modern weapons don t work, and the Greek gods are out to kill them all.
