Candlewick Press,U.S., United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Who hasn't misplaced something important? Readers large and small will laugh knowingly along with this relatable (and rather giant) case of forgetfulness. Belbum is a giant. Like most giants, he is very good at stomping, napping, and losing things. One day he loses something especially important, though: his only pair of pants. After searching high and low, Belbum sets off to ask his friends whether they have any pants he can borrow. But the cyclops only wears tunics. The gnome's pants, stretchy as they may be, are far too small for Belbum. And unicorns don't even wear pants. There's only one thing left for Belbum to do: walk to the tailor in town . . . in his underwear! From the author-illustrator of *The Great Thanksgiving Escape* comes an enchantingly silly tale about forgetting your things -- and holding your head up high.
