## REACH OF THE CROSS

DS Lisi, United States, 2010. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Reach of the Cross offers revealing insights into the lives of five individuals who were present when Jesus was crucified and details how each experienced their own significant encounter with Him. These people represent five aspects of modern-day society and present a prophetic picture of key areas where God wants to bring change to our world. When we think about Jesus and Calvary, we must realize that the power of the cross is not limited to our salvation alone. In God s heart is a passion to impact government and politics, unite races, influence the marketplace, break the cycle of social dysfunction, and rescue those trapped in spiritual darkness. In Reach of the Cross you ll discover how the cross touches each of these venues of our society and learn practical steps you can take to deliver the message of hope to a world desperate for change. I know very well how foolish the message of the cross sounds to those who are on the road to destruction. But we who are saved recognize this message as the very power of God. 1 Corinthians 1:18.
