Anthurium Publishing LLC, United States, 2014. Paperback. Condition: New. Adrienne Marie Hall (illustrator). Language: English . Brand New Book ***** Print on Demand *****.The Grantbuilder(TM) is a professional education program for new and experienced grantwriters. Those new to the profession will receive an introduction into grantwriting along with learning activities to master the fundamentals. Experienced grantwriters will recognize the time-saving aspects of the proprietary Master Grant Data Worksheet. It is used to consolidate all of the information needed by an organization to prepare all types of grants. The design for The Grantbuilder(TM) System is influenced by elements and processes used in the construction industry. Specifically, the analogy of designing, planning, constructing and maintaining a house can serve as the frame of reference for learning how to build grant applications. This workbook teaches grant writing as a step-by-step process, starting with an introduction to the basics to lay a strong foundation. Every industry has its own language, guidelines and nuances. This system integrates all of those factors, starting with an overview of grantmaking. Who give grants? Who can apply? How to apply? What information is needed to apply? This workbook answers these and other questions relevant to locating funding sources, preparing grant applications and securing grants. Approximately 90 of information required on grant applications is similar from funder to funder, however, the format and sequence of information may be different. If you were to tour five different homes that have four bedrooms and two baths, each would be unique in color scheme, furnishings and how it is decorated. Take another example of kitchens in two different homes. Both have most of the same components (i.e. stove, refrigerator, microwave, sink), but one may have a trash compactor and dishwasher, and certainly each with it s own layout and color scheme. These examples...
