AUTHORHOUSE, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What in the world is a jigger? A Nairobi what? Are there any lions in Africa? How many snakes can one person deal with before freaking out? Which is smarter, an author or a parrot? How full of praise to God can a person s heart be after experiencing the wonders of African nature? From Jiggers to Blind Elephants answers these questions and more, although admittedly not in a scientific manner, showing the delight of the author and her family in the beauties and wonders of Africa s wildlife. This book is for animal lovers as well as those fascinated by life in another place, another culture.
