Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Gustavo Adolfo Claudio Dominguez Bastida, better known as Gustavo Adolfo Becquer (1836 -1870) was a Spanish post-romanticist poet and writer (mostly short stories), also a playwright, literary columnist, and talented in drawing. Today he is considered one of the most important figures in Spanish literature, and is considered by some as the most read writer after Cervantes. He adopted the alias of Becquer as his brother Valeriano Becquer, a painter, had done earlier. He was associated with the post-romanticism movement and wrote while realism was enjoying success in Spain. He was moderately well known during his life, but it was after his death that most of his works were published. His best known works are the Rhymes and the Legends, usually published together as Rimas y leyendas. These poems and tales are essential to the study of Spanish literature and common reading for high-school students in Spanish-speaking countries.
