Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

ARE YOU GAINING WEIGHT AND ARE YOU TIRED?: BOOK I OF THE FIVE BOOKS OF ISIS SERIES**DOWNLOAD**

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 222 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Much of our thinking has been manipulated either by commercial marketing or by religious institutions which often times try to convince you of the truth from their perspective. The tangled web that has been woven is better sent to the dustbin of history so that we can start again on a fresh page. The human cell REQUIRES just 6 nutrients. Today mothers are unable to quickly enunciate these 6 things to feed their children every day; nor can they state the form in which they have to be to be ABSORBED by our cellular structures. This is NOT difficult. You do NOT need an advanced degree in food chemistry. Book I of The Books of Isis series (Are You Gaining Weight and Are You Tired?) lays them out in kindergarten terms. Our primary misunderstanding lies with fats, which are required for energy and hormone production, among a...
