It s the 1940 s and across the country women are leaving their homes, shops, offices and factories to take up a new role in the Women s Land Army. As they learn new skills in a strange environment, women from all walks of life are thrown together and forced to forge a sense of community while contributing to the war effort. Back to the Land takes a warm-hearted look at the lives and loves of a group of Land Girls making the best of life in a hostel in the North East of England.
