But have you ever sat in one when your best friend Dave has spread his feathery self out so wide that his cheesy feet are right up your beak and there also happens to be an old banana in the corner taking up the rest of the space? I didn't think so. This is where our story begins. Dave Pigeon and his best friend Skipper were living happily in the Human Lady's house, but now they're travelling in a box to Pawsville Vets . maybe Dave will finally get his broken wing fixed. The pet shop is full of new friends. Jet the dog, Cricket Ball Face the hamster. and with friendship comes a bit of healthy competition, and what could be better than a race for a racing pigeon? But the only animal who thinks Dave is capable of going up against the infamous Mickey Lightning is Dave himself. The third installment to this laugh-out-loud new series is fully illustrated throughout by the incredible Sheena Dempsey.

This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).
