By Steve Leadley

Beach Reeds. Paperback. Book Condition: New. Paperback. 218 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. Could the mysterious death of a young woman hold the key to the outcome of the American Revolution? In the summer of 1777 British general John Burgoyne aspires to execute an elaborate plan to grab control of New York State thereby driving a wedge between New England and the rest of the colonies. If successful, the stratagem could doom the idealistic rebellion. However, north of Albany the general's Indian scouts return to camp with the scalp of a young woman, Jane McCrea. They claim that they only took the scalp after the colonial militia accidentally killed her but the Americans contend that the Indians have committed murder-- proving that the British have no control over their Indian allies who are bent on savaging women and children. If the American claim is true, the girl's murder could be a powerful tool in recruiting men to the cause and stopping General Burgoyne. For this reason General Washington sends the eccentric and enigmatic Mr. Fox to the region to determine the truth. Fox is an urbane Quaker allegedly committed to pacifism, but is also a skilled woodsman and Indian...
