BENBELLA BOOKS, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. From Cole s downfall and Phoebe s somewhat questionable fashion sense to the power of three in history and literature and a magical tourist s guide to the Halliwells s hometown of San Francisco, this clever, lighthearted essay collection offers a fun and funny look at the world of the WB hit series Charmed. Edited by New York Times bestselling author Jennifer Crusie, these accessible and entertaining essays apply the wit and insight of one of today s leading romance authors to the stylish, occasionally campy fan favorite known for its scandalous outfits, revolving door of love interests, and the magical mayhem of three otherwise normal sisters who must fight against evil as they deal with the challenges of everyday life.
