Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Balance Sheet of Agriculture, 1948 This is not a balance sheet of farm operators, nor of people living on farms, nor of landlords. Rather it is a balance sheet of the industry viewed as one large enterprise. Unavoidably it includes certain items, such as some of the financial assets of farm people, that are not needed in farming operations. On the other hand, however, financial assets of some landlords who do not live on farms may be included. Numerous investments of farmers, like corporate securities and urban real estate for which no data are available, are purposely excluded.
