Barron's Educational Series, United States, 2014. Paperback. Condition: New. 3rd ed.. Language: English . Brand New Book. This brand new edition of Barron's easy-to-read test prep guide has been fully updated to prepare candidates for the new Selection Instruments Flight Training (SIFT) test and will help prospective military aviators for all U.S. armed forces score their best on their service's flight aptitude test. Officer candidates, ROTC cadets, and currently enlisted personnel looking to move up or trying to qualify for pilot status will find that this book gives them all they need to achieve their highest score. A total of six full-length practice tests include answers and explanations for all questions. Test overviews and detailed review sections give readers the edge they need to rise to the top of the candidates list. The manual presents two practice Air Force Officer Qualifying Tests (AFOQTs), two practice SIFTs, and two practice Navy/Marine Corps/Coast Guard Aviation Selection Test Batteries (ASTBs). Written by a veteran military officer and instructor, this book's review sections cover language comprehension, math, mechanical comprehension, aviation and nautical technical information, general science, and specific mental skills such as block counting, finding hidden figures, and spatial apperception. The author also coaches readers on effective study techniques, provides information resources, and gives pilot candidates a thorough preview of how each test is structured.
