ANCIENT JEWISH PROVERBS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Ancient Jewish Proverbs The genuine proverb is not the elaborately thought-out sentence of an individual, but the commonly adopted expression of long and wide experience. Its literary form is usually crude, unpolished, and devoid of style, indicating that it Obtained its currency among the lower classes, not the litterateurs. Hence the saying that pro verbs are the People s Voice is true in more senses than one. It is the popular speech in so far as it reflects the popular mind, but also be cause it is an accurate record of the vernacular. This is a point of great importance. In attempt ing to form a conception of the language used by a community at a given time, it is not always safe to rely only upon the literature of that period. The literary language often differs considerably from the spoken, and therefore proverbs offer us the best material for forming an idea of how the people spoke in their everyday intercourse.
