This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Jim Beaman s Interviewing for Radio is a classic and seminal practice text, brilliantly written and masterful in its content. Nobody working in professional radio can do without it. It is a must for all radio courses and I could not recommend it more highly - Tim Crook, Head of Radio, Goldsmiths College, University of London, UK Interviewing for Radio is a thorough introduction to the techniques and skills of the radio interview. It offers advice on how to ask the right question and elicit a response, and guides the reader through the use of equipment, the mechanics of recording, the studio environment, live broadcasts, presentation and pronunciation, and editing material. Written by an experienced producer and instructor, Interviewing for Radio includes: * the history of the radio interview and the importance of its role today * practical exercises which introduce successful interview and technical skills * case studies and hypothetical scenarios to help you prepare for potential difficulties * a discussion...
