Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

MARY SCHWEIDLER, THE AMBER WITCH (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Not alone is the demoniacal character, which pervades nearly all these fearful stories, so deeply marked, as to fill the attentive reader with feelings of alternate horror and dismay, but the eternal and unchangeable laws of human feeling and action are often arrested in a manner so violent and unforeseen, that the understanding is entirely baffled. For instance, one of the original trials which a friend of mine, a lawyer, discovered in our province, contains the account of a mother, who, after she had suffered the torture, and received the holy Sacrament, and was on the point of going to the stake, so utterly lost all maternal feeling, that her conscience obliged her to accuse as a witch her only dearly-loved daughter, a girl of fifteen, against whom no one had ever entertained a suspicion, in order, as she said, to save her poor soul. The court, justly amazed at an event which probably has never since been paralleled, caused the state of the mother's mind to be examined both by clergymen and physicians, whose original testimonies are still appended to the records, and are all highly favourable to her soundness of mind. The unfortunate daughter, whose name was Elizabeth Hegel, was actually executed on the strength of her mother's accusation.
