Reviews

Extensive information! Its this sort of great read through. It is amongst the most incredible book i have go through. I realized this publication from my i and dad suggested this book to understand.
(Prof. Devon Bernhard PhD)

THE WILD EARTH S NOBILITY: A NOVEL (PAPERBACK)

Ohio University Press, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Wild Earth s Nobility is the first of Frank Waters s semiautobiographical novels in the Pikes Peak saga. Here, in a frontier town in the shadow of the commanding mountain, the Rogier family settles near an age-old route of migrating Native Americans. In an era of prospecting, silver strikes, and frenzied mining, Joseph Rogier becomes a successful building contractor, rears a large family, and is gradually overwhelmed by the power of the great peak. In Waters s visionary prose, the story becomes a mythic journey to reconcile instinct and reason, consciousness and intuition, and the powerful emotions of a family struggling with its own dreams and human limitations. Frank Waters (1902-1995), one of the finest chroniclers of the American Southwest, wrote twenty-eight works of fiction and nonfiction. Of Pike s Peak (1971), the Chicago Daily News wrote, It is a product of maturity, written with a sustained strength and beauty of style rarely found in fiction today. Pike s Peak is composed of three condensed novels: The Wild Earth s Nobility, Below Grass Roots, and The Dust within the Rock.
